The #GlobalGoals are a to-do list for the planet. A plan for everyone to help everyone. But in order for them to work they need to be famous and we need to tell everyone that this is our generations chance to truly make a difference.

We can be the first generation to end extreme poverty, the most determined generation in history to end injustice and inequality, and the last generation to be threatened by climate change. Tell Everyone about the Global Goals #WeHaveAPlan

In 2030 we'll have halved the number of children living in poverty. I support Goal 1 – No Poverty #GlobalGoals
